The Atlantic Craft Trade Show (ACTS) is a juried wholesale trade show featuring crafts, giftware, and apparel producers who manufacture their products exclusively in Atlantic Canada.

For over 30 years ACTS has facilitated the coming together of buyers and craftspeople in the wholesale market, attracting buyers from across Canada, the USA and United Kingdom. It is one of the largest juried wholesale craft trade shows in Canada and one of the longest running shows in North America.

If you are a retailer whose customers appreciate the uniqueness and value of handcrafted products, ACTS can provide you with new and exciting merchandise to keep those customers coming back.

"...Traveling to ACTS has made the difference between being a shop among many, to being THE shop to return to again and again."

Lee Yeomans – Owner, State Street Candle and Mug,
Newburyport, MA

ACTS provides an opportunity for independent retailers to network with small producers, learn about their craft, develop relationships and find new and exciting products for their shops. What sets ACTS apart from other shows is the uniqueness and superior quality of crafts made in Atlantic Canada.

To help new buyers visit our show and meet our craft producers, ACTS has developed an Incoming Buyer Program. Unique in the trade show industry, this program provides funding assistance to qualified retail buyers.

The enclosed CD will tell you more about the ACTS show. It contains illustrations of the kind of work you can expect to see and provides more information about the Incoming Buyer Program.

This disc to be used in tray loading devices only.
English and French versions on same disc.

The ACTS show is special because our exhibitors are special. These talented artisans offer a wide variety of products and a full range of price points to suit all buyer needs, with prompt professional delivery assured. Many have been with us since our show began 30 years ago. You'll find the quality, service and value of the crafts, giftware and apparel produced in Atlantic Canada second to none.

ACTS is headquartered in Halifax, Nova Scotia, on Canada's beautiful east coast. Daily air service is available from all major centers including Boston, Newark, Montreal, Toronto and London, England, with connections to other destinations in the USA and Europe. Halifax is only a short non-stop flight from New York's JFK and Newark airports.
